

## **Transportation Services to Regional Multicultural Magnet School School Year 2021-2022**

Transportation to the Regional Multicultural Magnet School (RMMS) is provided and funded by either the sending town, or LEARN, the Regional Educational Resource Center that sponsors RMMS. Below are the transportation arrangements provided for the 2021-2022 school year. Districts re-examine transportation arrangements each year. This does not guarantee transportation for the 2022-2023 school year.

**Transportation Reimbursement** – A small stipend may be available from the State of Connecticut to parents who transport their children to and from RMMS from communities where *NO TRANSPORTATION* is available from the town or LEARN. A form to apply for reimbursement is available in the summer in the RMMS office. The form is due to RMMS by the middle of September to guarantee reimbursement.
